

Sparkling Summery Pineapple Punch

Ingredients

- Recipe for a big batch of Sparkling Summery Pineapple Punch
- 2-quart container of Smart & Final First Street Pineapple Juice
- Cup fresh lime juice
- 2 bottles of sparkling wine, such as La Marcha OR if you want to make it non-alcoholic 1-liter club soda
- Ice
- Mint and strawberries to garnish

Instructions

1. In a large punch bowl or large drink holder, pour in the pineapple juice, lime juice, and one bottle of the sparkling wine (or club soda)
2. Note; if using the club soda, do not add all of it to the batch, save some to top off the drinks
3. Stir to combine
4. Add in some ice, and mix again; not too much ice or you will water down the punch
5. Garnish drinks with a lime slice, freshly cut strawberries, and fresh ice
6. Pour drink mixture over the ice and top off with a little more sparkling wine or club soda
7. Adjust flavors to your liking by adding more wine, lime juice, or pineapple juice
